SUMMARY

My name is Dat. I am 19 years old and I'm from Vietnam. I am currently studying at South-Eastern University of Applied Sciences, Kouvola campus. I am a hardworking, passionate and sincere individual. I can get used to different working environments and I am always eager to explore new experiences.

EDUCATION

08.2016 - Now

**South-Eastern University of Applied Sciences (XAMK),
Kouvola campus.**

Bachelor's Degree of Business Administration

Field of study: International Business, GPA: 4.0/5.0

08.2016 - 04.2017

08.2017 - Now

Finnish language course, Kouvola iltaukio

08.2013 - 05.2016

**High School for Gifted Students, Hanoi University of
Science, Vietnam**

Major subjects: Information Technology

EXPERIENCES

06.2018 - 08.2018

Fruits Picker, Tyrvännön Marja ja Vihannes (Tyrvääntö)

In my university's second-year summer, I applied for the work of berries picking and labelling as a mean to earn my living and support my study in Finland. The work has not only cultivated my punctuality and commitment skills, but also given me the opportunities to truly experience the work environment as a full-time employee.

06.2017 - 08.2017

Waiter and Cashier, Huahin Thai restaurant (Kouvola)

I worked as a waiter and cashier at Huahin Thai restaurant. The work has provided me with a lot of new and useful experiences and outlooks when doing service-oriented tasks.

07.2017 - 08.2017

Ad Dealer, Jakelusuora Oy (Kouvola)

My job included distributing advertisements, newsletters, magazines, and product samples to every home within a distribution network during required time.
